

Life can be absolutely beautiful, but very few of us make it through without some scrapes and bruises along the way. Whether you were hurt growing up or in prior relationships, have felt that your desires weren't met or life threw you a curve ball from which you can't seem to recover, there is hope.

Imagine...Rewriting Your Story.

Attend this powerful workshop and let the transformation begin...

- Identify personal triggers
- Learn to make healthy decisions
- Move past hurt and resentment
- Learn to communicate safely
